Description

Festool Planex Easy Long Reach Sander LHS-E 225 571937

The new long reach sander PLANEX easy is the lightest long reach sander with direct drive on the market. Maintenance free, lightweight and intuitive in operation. Preparation work in plasterboard rooms could hardly be easier or faster. The PLANEX easy is more durable than anything you've seen before. Its brushless motor without flexible shaft is maintenance free and provides optimum transfer of force. Its simple handling allows smooth sanding at maximum speed, while its low weight allows you to work for a long time without tiring.

Applications

- Sanding plasterboard
- Sanding plasterboard filler
- Removing wall paper residue

Features

- Long life and minimal downtime thanks to the robust EC direct drive
- Turn and twist the PLANEX easy, the flexible long reach sander gives you a lot of freedom to move easy
- No assembly required
- Mobile and easy to transport securely in the carry bag
- Low machine weight of just 4kg for fatigue free work
