ZERO Rigger Lightweight Harness Z+87/R HTP1679

Brand: Zero
Code: C5639

$408.50 +GST $469.78 incl. GST

Description

Simple and more lightweight than the Zero Plus Isotower, the Zero Plus Riggers Harness delivers on performance and value. The tower design makes it suitable for a multitude of working applications including: tower work, pole work, linesman, rescue, industrial height safety and confined space.

New and ergonomic design that combines the practical tower design with rescue features. A comfortable and easy to don harness, with fall arrest and positioning attachment points connecting the comfortable work positioning support sling.

Breathable mesh fabric in the waist belt and positioning sling gives the wearer support and comfort. Supportive waist panel has a reflective panel for better visibility. Quick connect buckles. Fully adjustable for comfortable fit. New and ergonomic design that combines the practical tower design with rescue features.

A comfortable and easy to don harness, with fall arrest and positioning attachment points connecting the comfortable work positioning support sling. Breathable mesh fabric in the waist belt and positioning sling gives the wearer support and comfort. Supportive waist panel has a reflective panel for better visibility. Quick connect buckles. Fully adjustable for comfortable fit.

Features

- Lightweight design, fully adjustable for best fit.
