Festool V93mm Triangular Backing Pad - Twin Pack

Hard sanding pad for sanding flat, tight spaces, or narrow edges. All FESTOOL pads are designed with dust extraction as a primary consideration, so you'll work cleaner, produce a better finish and significantly extend the life of your abrasives and pads. FESTOOL pads feature the StickFix hook and loop design for quick and efficient abrasive changes, and enable re-use of partially used abrasives. A highly-resilient, heat-resistant MPE foam is utilized in all our pads for consistent finishing results, uniform wearing, and extended pad life. Because sanding pads will eventually fatigue and require replacement, it is advisable to keep a fresh pad at hand to avoid a break in work.

Compatible with

- DX 93 Orbital Sander
- RO 90 ROTEX Random Orbital Sander
