\$2.18+GST

Options

Code	Description	Price
C1807-1	Medium	\$2.18
C1807-2	Fine	\$2.18

Description

The Haydn® Sandscreen is designed for sanding drywall compound plaster and adhesive material. For use with the Haydn pole or hand sanders, the mesh construction inhibits clogging, while both sides can be used which prolongs the sanding life. Available in three different grit grades.

Ideal for

- Sanding drywall compound plaster and adhesive material

Features

- Available in 120 Grit (Course), 180 Grit (Medium) and 220 Grit (Fine)
- Mesh construction inhibits clogging
- Both sides can be used which also prolongs sanding life
- For use with Haydn pole or hand sanders
