## Dual Angle Sanding Sponge (24 pack) in Container

**Brand:** Colorex  
**Code:** C1209B

**\$49.90 +GST \$57.39 incl. GST**

### Description

#### Dual Angle Sanding Sponge (24 pack) in Container

Introducing our new Dual Angle Sanding Sponges, the perfect tool for all your sanding needs. Whether you're working on a DIY project or a professional carpentry job, these sanding sponges will make your life easier and your results smoother.

Our Dual Angle Sanding Sponges come in a reusable plastic container, making it easy to store and organize them in your workshop or tool kit. The container also helps protect the sponges from wear and tear, ensuring they last longer and stay in good condition.

Each sponge has two angled surfaces that provide versatile sanding options. The sanding sponges have a medium grit side and a softer grit side. This feature makes our sanding sponges suitable for a variety of tasks, from smoothing rough surfaces to removing paint and rust. Our sanding sponges are made with high-quality materials that provide long-lasting performance.
