

CRC 808 Silicone Aerosol 500ml

Brand: CRC
Code: C1330

\$17.80 +GST \$20.47 incl. GST

Description

CRC 808 Silicone Aerosol 500ml

CRC 808 Silicone is a multi-purpose silicone spray for general lubrication. It leaves a thin, clear, odourless film that lubricates, waterproofs and revives without damaging treated surfaces or leaving marks or stains. It provides ongoing protection over a wide range of temperatures and pressures. CRC 808 Silicone eliminates squeaking and binding caused by friction and is ideal for use on metals, plastics, rubber, fabrics, wood, glass and painted surfaces. Excellent mould release, parting agent and machine bed lubricant. **Features & Benefits**

- **Multi-Purpose Product** - Revives, lubricates, waterproofs, cleans and shines
- **Clear, odourless, non-staining** - No need for messy greases and oils
- **Harmless to most materials** - Metals, plastics, rubber, adhesives, wood, fabrics, glass, inks and paints
- **Reduces Friction and Wear** - Reduces noise. Extends product life. Reduces downtime
- **Excellent mould release, parting agent and machine bed lubricant**
- **Resists Moisture** - Stays in place in damp environments
- **Wide Temperature Range** - Effective from -38°C to 290°C
- **NZFSA Approved C12**

Uses

- **Automotive:** CRC 808 Silicone lubricates door locks, hinges, linkages, window guides and bushes. It preserves and protects rubber mouldings, weather strips, grommets, o-rings, rubber seals, dashboards, door mouldings, plastic parts and mountings. It also restores tyre appearance and prevents bug accumulations on bumpers and grilles,

where more specialised solvent based restorers are unsuitable. Refreshes the colour of most plastic and rubber components. Waterproofs ignition systems.

- **Industrial:** CRC 808 Silicone reduces friction and lubricates over a wide range of temperatures and pressures for freezing chamber and furnace applications. Ideal on studs, bolts and nuts, hoists, tracks, lifting gear and blocks, pumps, compressors, conveyor rollers and shutters. Excellent mould release, parting agent and machine bed lubricant.
- **Home:** CRC 808 Silicone is an ideal lubricant for sliding doors, locks, catches, curtain and shower tracks, drawer slides, castors, hinges, plastic rollers, sewing and knitting machine parts and slides, zip fasteners, model trains, cars and children's toys, automatic pool cleaners, garden and workshop tools and equipment.
- **Sport:** CRC 808 Silicone waterproofs without staining tents, ground sheets, boots, duffle and golf bags. Eliminates messy greases and oils. Provides unequalled lubrication on ski equipment, bicycles, skate boards, roller blades, roller skates, golf trundlers and all yacht rigging gear.
