

CRC Prime It Aerosol 400ml

Brand: CRC
Code: C2785

\$23.75 +GST \$27.31 incl. GST

Description

CRC Prime It Aerosol 400ml

CRC Prime It - Red Oxide Primer is a single pack penetrating shop primer with high levels of anti-corrosive zinc complexes. It is formulated for the protection of structural steel and iron and can be applied over clean or lightly rusted surfaces. It forms a durable protective coating with a red-oxide finish that does not require immediate overcoating, but can be overcoated at a later stage if desired.

Ongoing protection can be achieved through overcoating or simple recoating with CRC Prime It - Red Oxide Primer after 3 years, depending on conditions. Protection in extreme conditions may require re-application more frequently.

Features & Benefits

- **Zinc enriched for corrosion protection** - High levels of anti-corrosive zinc complexes
- **Long-term protection** - Up to 3 years outdoors before overcoating or recoating with CRC Prime It is necessary, depending on conditions
- **Scratch resistant, durable** - Withstands harsh outdoor conditions
- **Compatible with most standard decorative paint systems for metals**
- **Ready to Use Aerosol** - No additional mixing or chemical additives required. Easy application. No clean up.
- **Red-oxide finish**
- **Lead and cadmium free**
- **MPI Approved C23**
