CRC Prime It Aerosol 400ml

Brand:CRC Code: C2785

\$23.75 +GST \$27.31 incl. GST

Description

CRC Prime It Aerosol 400ml

CRC Prime It – Red Oxide Primer is a single pack penetrating shop primer with high levels of anti-corrosive zinc complexes. It is formulated for the protection of structural steel and iron and can be applied over clean or lightly rusted surfaces. It forms a durable protective coating with a red-oxide finish that does not require immediate overcoating, but can be overcoated at a later stage if desired.

Ongoing protection can be achieved through overcoating or simple recoating with CRC Prime It – Red Oxide Primer after 3 years, depending on conditions. Protection in extreme conditions may require re-application more frequently.

Features & Benefits

- Zinc enriched for corrosion protection High levels of anti-corrosive zinc complexes
- **Long-term protection** Up to 3 years outdoors before overcoating or recoating with CRC Prime It is necessary, depending on conditions
- Scratch resistant, durable Withstands harsh outdoor conditions
