### Description

Motsenbocker's Lift Off Spray Paint & Graffiti Remover 650ml Spray Bottle

Motsenbocker's Lift Off Spray Paint & Graffiti Remover is one of the only water-based, biodegradable and Green Cross Certified graffiti removers in the world.

- It effectively removes all types of oil based paints, varnishes, lacquers and spray paints from all types of surfaces including: stucco, concrete, cars & trucks, brick, metal, plastic and more
- It is a low VOC, water-based biodegradable and safe product for the environment and user
- Successfully used in removing graffiti from toilet walls, outside walls, street signs, public transport and more
- It is recommended to always test on an inconspicuous area first
- Not recommended for use on latex painted walls, non-colourfast materials or woodwork
- Packed in a 650ml trigger bottle
