

Tergo Blackguard Rust Converter 1L

Code: C1331

\$80.95 +GST \$93.09 incl. GST

Description

Tergo Blackguard Rust Converter 1L

- Tergo Blackguard Rust Converter is a liquid rust converter and primer which chemically converts and passivates rust present on the surface to a black film which resists further corrosion
- The vinyl acrylic copolymer employed exhibits very low permeability to water vapour and oxygen
- It may be applied by spray, roller or brush
- A white paint like liquid that converts surface rust into a black film which; not only stops further corrosion but also is a primer base for the application of decorative coatings
- Blackguard will cover 7-10 square meters per litre depending on the film thickness applied
