

DAP Elastopatch Smooth Flexible Patching Compound Cartridge

Brand: DAP
Code: C2896

\$12.90 NZD +GST

DAP Elastopatch Smooth Flexible Patching Compound Cartridge

High performance elastomeric spackling compound eliminates recurring cracks by providing a permanently flexible fill. Excellent for use on smooth surfaces including masonry, brick, plaster, drywall or any surface requiring a permanently flexible seal. Superior paintability - won't flash paint. Interior/exterior use.
