

## DAP Elastopatch Textured Flexible Patching Compound Cartridge

**Brand:** DAP  
**Code:** C2896

**\$16.50 +GST \$18.98 incl. GST**

### Description

#### DAP Elastopatch Textured Flexible Patching Compound Cartridge

DAP Elastopatch Textured Flexible Patching Compound is a high performance elastomeric spackling compound that eliminates reoccurring cracks by providing a permanently flexible fill. Excellent for use on textured surfaces including stucco, masonry, brick, plaster, drywall or any surface requiring a permanently flexible seal. Superior paintability – won't flash paint. NOT SANDABLE. Interior/exterior use.
