

SabreSeal NC Neutral Cure Silicone

Brand: SabreSeal
Code: C1256-1

\$13.20 +GST \$15.18 incl. GST

Description

SabreSeal NC Neutral Cure Silicone

SabreSeal NC is a premium, low modulus, neutral cure silicone sealant that adheres to a wide range of both porous and non-porous surfaces without the need for priming. SabreSeal NC is formulated as a high viscosity grade to give excellent tooling properties on vertical and overhead applications. Suitable for use in weather sealing and glazing applications on most common construction substrates, including metals, glass, timber, and concrete. SabreSeal NC has been developed to exhibit high UV and weathering resistance.

Application

- Roofing and plumbing seals
- Window frames
- Waterproofing
- Plastic trims and components
- Pool fittings
- Soft Metals
- General glazing sealing
- Glass and aluminium
- Precast formwork
