Selleys No More Gaps Exterior 430g

Brand: Selleys
Code: C1281

$15.30 +GST $17.60 incl. GST

Description

Selleys No More Gaps Exterior 430g

Selleys No More Gaps Exterior is specially formulated flexible gap filler, containing a titanium compound, fungicide and algaecide which gives you superior weather, UV and mould resistance against the harsh external elements such as rain, wind and harsh UV rays. It is an off white flexible gap filler, which can be painted over with both water and oil based paints, so you can give your house the professional finish it deserves.

Features

- Superior flexibility to cope with building movement, meaning the cracks and gaps will be hidden for longer. Has greater than 350% elongation/stretch and up to +/- 20% joint movement capability.
- Superior adhesion to a broad range of surfaces, resulting in a lasting finish.
- Has good resistance to weathering.
- Contains a titanium compound for superior UV resistance.
- Contains a fungicide and algaecide to protect against unsightly mould and algae growth.
- Can be painted over with both water and oil based paints, after the surface has skinned. (Approximately 36 minutes after application). Wide joints are best left for 48 hours before painting as some paints shrink during drying that can cause the paint to crack.
- Is formulated for long term resistance to cracking and crumbling.
- Is water based, so can be cleaned up with water.
- Will not stain building materials.
