Bostik Kwikpaint Glazing Putty 700g

Brand: Bostik

Code: C1341

\$22.65 +GST \$26.05 incl. GST

Description

Bostik Kwikpaint Glazing Putty 700g

Exterior grade, Fast drying, self-priming, wrinkle resistant glazing putty for use in timber frames with all glass types.

For glazing of absorbent or primed softwood framed window sections.

For the detail on glazing, installation and material selection, users are recommended to refer NZS 4223:1985 COP for buildings Parts I & 2. APPLICATION All surfaces to be filled must be sound, clean, dry and free from grease, dirt and other loose material before application. This product is self-priming, but it can also be used on timber which has been primed with a suitable primer. Primer must be dry before proceeding. If required, bed glass using Bostik Kwik Paint Bedding Compound – otherwise use Kwik Paint Glazing Putty.

Not for use with silicone sealant as this could react with putty.
