

## Metoset Concrete Repair Inject 480g Grey

**Brand:** Metoset  
**Code:** C3871

**\$30.50 +GST \$35.08 incl. GST**

### Description

Metoset Concrete Repair Inject 480g Grey

Metoset Concrete Repair is a two-component, ready to use, rapid curing, concrete repair resin used for cracks and sealing joints in almost any surface. May be applied using any standard silicone tool.

This formula is for outdoor or indoor use, and is very versatile. May be applied to slightly damp surfaces without any preparations. Ensures a seamless repair.

### Key Benefits

- Single unit packaging
- easy to mix and easy to apply
- Styrene free for use indoors or outdoors (low odour)
- Excellent structural characteristics
- Stronger than cured concrete
- High surface abrasion resistance
- Cures down to -10°C
- Re-usable unit
- Ready to use.
- Repairs to large cracks in concrete typically cementitious surfaces
- Masonry restoration,
- Jointing and bonding
