\$237.00 +GST \$272.55 incl. GST

Description

Timbabuild Handy Pack

The Handy Pack, neatly presented in minimal packaging, offers a convenient and organized solution for timber refurbishments. It provides you with all the necessary elements of the Timbabuild system in one package to enable you to carry out durable, waterproof, and high-quality timber repairs. Designed to address customer needs while minimizing environmental impact of over packaging.

Handy Pack contents:

- 1 x EHB60 400ml Repair Resin
- 1 x EWS Epoxy Wood Stabilizer
- 1 X Extrusion Tool
