Description

Soudal Gorilla Pro Gaps Gap Filler 310ml

Gorilla Pro Gaps Multipurpose delivers an ultra-smooth finish that is important for a great paint job. It's superior flexibility gives high crack resistance. It is paintable after 20 mins and water resistant once cured, does not stain and is almost odour-free. Excellent adhesion to porous substrates without primer.

Suitable for joints and small gaps where movement occurs, such as between wooden or metal window frames and concrete or brickwork. Joints between stairs and walls, concrete and ceiling elements, walls and ceilings, skirting boards, windowsills, doorframes and aerated concrete. Excellent adhesion to painted wood, anodized aluminium and PVC.

Features and Benefits:

- Suitable for Interior and Exterior applications
- Superior flexibility
- High crack resistance
- Low shrinkage
- Smooth finishing
- Suitable for multiple surfaces
- Forms an elastic water-resistant skin after full cure
- Does not stain
- Excellent adhesion to porous substrates
- Paintable after 20 minutes (Given the great diversity of available paints it is recommended to do a compatibility
