

XHP Woodframe Glazing Compound 1kg Sausage

Brand: XHP
Code: C1245

\$38.20 +GST \$43.93 incl. GST

Description

XHP Woodframe Glazing Compound 1kg Sausage

Features

- XHP woodframe glazing compound for use in timber frames
- Approved by Housing New Zealand
- Comes ready to use in a sausage pack
- Simply slice desired amount from sausage using a knife. Balance of sausage can be kept as end will skin over. Before next use, simply slice off skinned end
- Self-priming (priming of rebates is not required but is recommended)
- Light brown in colour
- Can typically be painted after 24 hours depending on temperature and humidity
- Compound must be painted after it has skinned over
- Paint with a high quality flexible oil based or water based paint system
- For best results use in conjunction with XHP gunnable Bedding Compound
- Glasscorp XHP Woodframe compound is designed for use with clear float glass and clear laminated glass only. For glazing any other glass types please contact Glasscorp for advice before proceeding.
