## Description

Dimensions: 800x555x1450mm

The secure storage cabinet designed to keep the ‘copper thieves' at bay!

The high value of copper fittings and cabling means that theft is on the rise, with criminals targeting construction sites on a daily basis. Don't make it easy for them! FittingStor™ is designed to secure all your costly M&E components and tools in one safe, easily portable location. Featuring removable shelves, removable fittings bins and heavy duty castors for ease of movement, this innovative product is in high demand among site contractors.
