# Festool RO 90 DX Rotex Sander Abrasive Systainer 90mm

**Brand:**Festool
**Code:** C2743

$136.55 +GST $157.03 incl. GST

## Description

Festool RO 90 DX Rotex Sander Abrasive Systainer 90mm

This Abrasives Systainer is the perfect solution for storing, organizing, and transporting abrasives for your DX 93 Sander and/or Rotex RO 90 Sander. It can also be used with non-Festool abrasives (abrasives not included).

- Each of the eight storage spaces will accept either round or delta shaped abrasives or a combination of both.
- Work more efficiently in the shop or on your work site by having all your abrasives on hand and ready for the task at hand.
- Designed to seamlessly connect to one another and to Festool Sortainers and CT Dust Extractors
- The Systainer System makes it possible to configure highly mobile, job-specific kits, keeping you organized and working efficiently.
- Made of durable, robust, high quality ABS for long service-life.
- All Systainers share an identical footprint for easy stacking, storing, and transport. Large, centrally positioned, oversized handle makes it easy to carry heavy loads.
- The T-LOC Abrasive systainer made for the RO 90 will easily carry both Delta style sandpaper as well as round sandpaper, both of which work with the Festool RO 90 Rotex Sander. Made in Germany.
