Description

The Haydn® Comfort Grip Tungsten Carbide Scraper is great to use on any wooden surface for the removal of old paint, varnish and glue. It features a 10 times harder than steel blade, extra long handle and an ergonomically designed soft grip with a finger point, enabling use of both hands while performing tough jobs. The comfort knob on the extra heavy metal head can also be used as a nail hammer. A wide reversible 60mm blade increases surface coverage and is easy to change, with replacement blades available in a 1 pack.
