Description

JUST CONNECT WITH SCANGRIP SMART CONNECTOR FOR ALL 18 V/20 V BATTERIES

Smart CONNECTOR designed to use 18 V/20 V battery packs on the SCANGRIP CONNECT work lights.

Whichever power tool brand you prefer, SCANGRIP has developed a unique CONNECTOR for each individual brand that fits 18 V/20 V battery packs. Simply mount the CONNECTOR to the work light, attach your battery and you are ready to work.

What is BATTERY SAFETY SYSTEM?

A BATTERY SAFETY SYSTEM protects the battery pack and makes it safe to use. The safety system features an automatic discharge protection, overload protection and temperature surveillance which means you can use your 18 V/20 V battery pack again and again without it being damaged.

The SCANGRIP CONNECTORS are protected by design patent and approved by Rheinland. Each CONNECTOR is sold under separate item numbers and individually designed to fit each power tool brand.
