SCANGRIP NOVA 4 CONNECT Sturdy floodlight with 4000 lumen

Brand: Scangrip
Code: C9622

\$336.12 +GST \$386.54 incl. GST

Description

4000 LUMEN HIGH EFFICIENCY COB LED WORK LIGHT FOR 18 V/20 V BATTERY PACKS

The powerful and sturdy NOVA 4 CONNECT features the latest COB LED technology and provides up to 4000 lumen making it a universal all-round work light for the demanding professional user.

NOVA 4 CONNECT is an extremely robust battery powered work light compatible with METABO / CAS battery system 18 V and all other 18 V/20 V batteries from leading power tool brands such as Milwaukee tools, Dewalt tools, Makita tools etc. by using the SCANGRIP CONNECTOR. In addition, the SCANGRIP POWER SUPPLY can be used for direct power providing unlimited availability to light. NOVA 4 CONNECT also has an internal back-up battery securing 2.5 extra hours at 400 lumen

Sturdy LED floodlight with high flexibility

With the user-friendly BLUETOOTH light control app, you get an extraordinary possibility to turn on/off and control up to four work lights through a mobile device. The built-in dimmer function enables you to adjust the light output into five different levels. This feature saves time from manual operation and increases work efficiency on a daily basis. It is designed with a display for battery capacity and lumen output level, and supplied with a built-in power bank. NOVA 4 CONNECT is extremely sturdy and waterproof (IP65). The design is elegant, with a carrying handle and a stand for flexible positioning and direct mounting on the SCANGRIP TRIPOD.

Why you should choose NOVA 4 CONNECT
