

SCANGRIP SCANGRIP TRIPOD 2m Tripod for stationary positioning of work lights

Brand: Scangrip
Code: C9632

\$150.27 +GST \$172.81 incl. GST

Description

SCANGRIP TRIPOD – Stationary positioning of work lights

The handy design of SCANGRIP TRIPOD makes it an indispensable tool for stationary positioning of work light for illumination in specific working area. Extendable from 0.9m to 2m, the tripod offers complete flexibility to position the work light into the required height and option to tilt the mounted light to provide the optimum beam angle.

With its extremely compact design and a weight of 2.1 kg the tripod is easy and convenient to carry and set up where needed. Featuring QUICK RELEASE function and made of black painted aluminium. The tripod is very durable and can be applied for both indoor and outdoor use.

// Max load 5 kg

// DUAL BRACKET not applicable

The stable construction makes it safe even when fully extended.
