

## SCANGRIP SCANGRIP TRIPOD 3m Tripod for stationary and flexible positioning of work lights

**Brand:** Scangrip  
**Code:** C9636

**\$213.42 +GST \$245.43 incl. GST**

### Description

SCANGRIP TRIPOD – Stationary and flexible positioning of work lights

The SCANGRIP TRIPOD is designed to meet any working situation where flexible illumination is key. Extendable from 1.35 m to 3 m, the tripod offers complete flexibility to position the work light into the required height and angle.

The tripod is made of durable powder coated steel and a welded steel mounting cap (10 mm thread) ensures the durability of the universal tripod stand. When not in use the tripod is compact with a weight of 6 kg.

Streamlined in both design and construction, the SCANGRIP TRIPOD can be applied for both indoor and outdoor use.

It is supplied with anchor points that provide an opportunity for extra stability if the tripod is exposed to strong wind or standing on an uneven surface. To increase safety when in use, work light cables can be stored in the safety clips placed on each of the tripods legs.

### Specifications

<b>Weight</b>	6.00kg
<b>Length</b>	1,110.00mm
<b>Width</b>	145.00mm
