

SCANGRIP TOWER COMPACT CONNECT Floodlight with two lamp heads providing 2500 lumen with tripod

Brand: Scangrip

Code: C9629

\$300.72 +GST \$345.83 incl. GST

Description

Compact floodlight with tripod

The new TOWER COMPACT CONNECT is the right choice if you want a powerful, compact, and multifunctional floodlight with a lightweight tripod. This is the ideal work lamp for the craftsman who often changes workplace and needs to set up quickly and easily move on to the next job. The sturdy, slim design, and low weight of only 2.7 kg makes it tailored to bring around in the back of the car and convenient to carry around from one job to the other.

The tripod is extendable from 0.9 m to 2 m and offers complete flexibility to position the work light into the required height. Featuring a QUICK RELEASE function makes it fast to set up the tripod in only a few seconds and fold again when the job is done. In folded position, it is very compact and designed for one-hand transport.

TOWER COMPACT CONNECT is compatible with METABO / CAS battery system 18 V and all other 18 V/20 V battery packs from leading power tool brands by using the SCANGRIP CONNECTOR. In addition, the SCANGRIP POWER SUPPLY can be used for direct power providing unlimited availability to light.

Powerful illumination with maximum flexibility

The floodlight provides extremely high level of lumen output, up to as much as 2500 lumen, and can be positioned directly on the tripod without any bracket or extra devices. This means that it can be dismantled as easily and positioned directly on the surface using the battery base as stand or positioned by the built-in hook.

Featuring 360 flexible and turnable lamp heads TOWER COMPACT CONNECT provides powerful illumination from any

lighting angle you need for the job. Both lamp heads have dual axis rotation which means that the lamp heads can be rotated in all directions independent of each other providing completely flexible positioning of the light source. This provides perfect lighting condition for painting and installation work, for instance.

Does not include battery.
