Description

OX Pro Compact Chalk Reel - 6x Gear with Kevlar Reinforced Line

A Premium Chalk Reel with Innovative Kevlar Line which is 20X Stronger than previous models. A compact case with ergonomic design made from ABS Plastic for durability on the jobsite. A new hook design that gives strong grip and accuracy when laying chalk lines. Designed to feel comfortable in the hand and remain comfortable for long periods of use when marking out. Quarter Turn top makes refilling easy and means no risk of chalk spilling. 6:1 Gear rewind means fast retraction of the line and saving time on the jobsite.

- Genuine Kevlar Tuffline for maximum abrasion and snap resistance
- 6:1 Gear Ratio for fastest rewind
- Quarter-turn sealed top for easy refilling and no chalk spills
