Product Description

BORA Track Clamps make it super easy to cut virtually any angle with precision with the BORA WTX or NGX Clamp Edge systems (sold separately). Set up is easy. Just slide the Track Clamps into the track, align the Clamp Edge to your desired angle, and lock the Track Clamps into place. Made of durable, high-performance polymer these clamps are built to withstand years of use. Designed for the professional or DIY-er, BORA Track Clamps are a must-have accessory for the BORA WTX or NGX Saw Guide Systems. BORA Tool is a global manufacturer of power tool accessories and a leader in innovative products that make your projects run smoothly.
