

Haydn Adjustable Juggernaut Roller Frame 310mm-460mm

Brand: Haydn
Code: C1173

\$24.60 +GST \$28.29 incl. GST

Description

The Haydn® Juggernaut Frame is a heavy-duty, all-purpose frame that is perfect for the professional painter, tradesman, or DIY enthusiast. It adjusts to hold roller sleeves between 310mm and 460mm in length. Which means it takes a fraction of the time to paint large areas. It has an aluminium frame and body, as well as wingnuts so that the frame arms can be adjusted with ease. The double arms add stability and balance to the frame so that it can produce a uniform finish that does not mark the surface. The frame is lightweight and sits on top of a thermoplastic rubber handle. Which had comfort in mind when designed and can be held for extended periods of time without fatigue. The handle also has a threaded end to fit most standard extension poles. The frame comes with two end caps suitable for standard roller sleeves 38mm in diameter.

Ideal for

- Roller sleeves 310mm to 460mm (12" to 18") in length
- Standard roller sleeves that are 38mm (1 1/2") in diameter

Features

- Adjusts to hold 310mm to 460mm (12" to 18") roller sleeves
- Increase efficiency by painting large areas in a fraction of the time
- Lightweight, aluminium frame and body
- Wingnut design makes it easy to adjust
- Double arms for a uniform finish
- Comfort grip handle made from TPR
