### Description

Two Fussy Blokes Microfibre Mini Paint Rollers 50mm 5mm Nap 4 Pack

If you love our microfibre paint rollers as much as we do but want a smaller size to paint those smaller nooks and crannies, we've got you covered with our mini versions of our semi-smooth rollers in a 3 pack. These rollers are just as good as the regular 230mm 10mm nap rollers, are super durable and hold plenty of paint to finish your paint job with ease and a stunning semi-smooth finish. We have a 3 pack of mini paint rollers to have on hand for whatever paint job comes your way next!

The 10mm-nap version of our mini rollers also comes in a 100mm length. This particular roller holds a considerable amount of paint, washes out easily, and is ideal to cut walls and ceilings in conjunction with our 10mm-nap big rollers, as doing so will result in a uniform finish with no picture framing. Perfect for use on radiators, exterior weatherboards, and previously painted surfaces, these mini rollers eliminate the need to lay off your paint.
