Description

Two Fussy Blokes Microfibre Mini Sleeves 100 x 10mm Nap Semi-Smooth (10 Pack)

When Nothing But The Best Will Do!

The 10mm-nap version of our mini rollers also comes in a 100mm length. This particular roller holds a considerable amount of paint, washes out easily, and is ideal to cut walls and ceilings in conjunction with our 10mm-nap big rollers, as doing so will result in a uniform finish with no picture framing. Perfect for use on radiators, exterior weatherboards, and previously painted surfaces, these mini rollers eliminate the need to lay off your paint.

Available in packs of 3 or 10.
