Description

Two Fussy Blokes Microfibre Mini Sleeves 100 x 5mm Nap Smooth (10 Pack)

When Nothing But The Best Will Do!

Our 5mm-nap microfibre mini rollers come in a 100mm length and are best for painting the likes of furniture, kitchen units, window frames, and door frames — essentially anything small that requires a smooth, spray-like finish. The shortest nap in our mini-roller range, the 5mm is gaining huge popularity within upcycling communities and with well-known furniture painters like HPKUK. By enabling you to achieve a flawless finish without a spray gun, these 5mm rollers allow painters to transform old kitchens and furniture at seriously low cost.

Available in packs of 3 or 10.
