### Description

#### Two Fussy Microfibre Sleeves 455mm

You quite literally can't get a bigger paint roller to satisfy fussy painters with our massive 455mm microfibre paint roller. With a satisfying semi-smooth finish and a 15mm nap, this paint roller is always going to tell you to go big or go home. Great for walls, ceilings and just about any flat surface to get the ultimate coverage when it comes to speed and low splatter. Go no further than this paint roller that's sure to cover what you need in no time. Made with the highest grade of microfibre, we don't mess around when we say that our microfibre paint rollers are nothing but the best. Try out this single pack and see for yourself.
