Description

Two Fussy Blokes Mohair Hybrid 100mm x 5mm Nap Mini Roller Sleeves 3-Pack

ROLLER FOR OIL BASED PAINTS

The unbeatable combination of hybrid mohair fabric ensures a super smooth finish without any shedding, while the unique weave helps you avoid unwanted splatters. Our Hybrid Mohair rollers don't just stop there; in addition to oil-based paints, they are also compatible with water-based paints, marine paints, and even epoxies and hold more paint than regular Mohair rollers.

SMOOTH FINISH

We developed our Mini Mohair Hybrid 5mm NAP/Pile roller for the **smoothest finish possible when used with oil-based paints**. Because the surface you'll be painting determines the NAP/Pile you will need – the shorter the NAP the finer the finish. To **paint doors, frames or furniture** at a fraction of the cost whilst achieving a smooth finish. The 5mm mohair hybrid holds a sufficient amount of paint to make the painting job a breeze, while the design of fabric prevents the paint from splattering.

Perfect for oil based paints
