

Wooster Wide Boy Paint Bucket

Brand: Wooster
Code: C1906-1

\$100.80 +GST \$115.92 incl. GST

Description

Wooster Wide Boy Paint Bucket

Moulded from durable polypropylene, the Wide Boy Bucket resists coating build-up. It also includes a roll-off area that is 19-inches across. This means you can continue to work out of the Wide Boy Bucket regardless if you're using a standard 9-inch cover up to an 18-inch frame. One fear of dealing with higher volumes of coatings is that spills can become an expensive waste of materials; however, the sturdy no-tip design ensures paint ends up on the wall instead of the floor. A heavy-duty 5/16-inch galvanized bail and comfort grip make the bucket easy to transport around the jobsite.
