### Description

#### OX Trade Suede Leather 10 Pocket Tool Belt

The heavy duty tool belt features suede leather construction that has a double row stitching to offer better strength and longer life. It has rivets reinforced at the stress points for stiffness and durability. The tool belt has a medium-sized front pocket and two wide-mouthed large main pockets to keep larger tools. It has three small tool or pencil pockets, a fixed type metal hammer holder and a leather pocket to hold common items like the tape measurers. The whole product is strapped to the 2 Inch wide heavy duty webbing belt that has a quick-release plastic buckle for hassle-free mounting or unmounting.
