

Armorgard 1 Tonne Mobile BundleRack BR1

Brand: Armorgard
Code: C4520

\$1,349.00 +GST \$1,551.35 incl. GST

Description

The mobile rack for easy transportation and storage of materials.

The Armorgard BundleRack™ is a simple and effective means of transporting and storing large bundles of materials and other site equipment. It allows you to organise your materials on site to optimise space, while ensuring they are quick and easy to move when needed. Designed to a high quality heavy-duty specification, with an anti-corrosive finish, BundleRack™ is built to last. The unit can be folded and stacked for easy storage when not in use.
