Description

The adaptable mobile on-site pipe and conduit storage solution.

The Armorgard PipeRack™ is an innovatively designed wheeled storage rack to manoeuvre while you're working on site. Each unit has been fully tested and certified to guarantee you a top quality product that is durable and built to last, while the fully collapsible design means that it can be easily transported and stored when not in use. PipeRack™ is available with either a 1 tonne or 2 tonne storage capacity, not to be moved whilst fully loaded.
