

## Armorgard TuffBench Folding Work Platform BH10

**Brand:** Armorgard

**Code:** C4514-2

**\$449.00 +GST \$516.35 incl. GST**

### Description

Dimensions: 1080x750x820mm

The versatile and easy-to-use mobile work platform from Armorgard. The TuffBench™ heavy-duty folding work platform is a versatile workbench designed for contractors on the move, and is perfect for use on construction sites. Its quick and easy assembly system – with no detachable parts – makes it easy to transport and Store. When it's time to move on, simply collapse the platform, fold the legs and you're ready to go! Durable and built to last, the surface is manufactured from sustainable pressed timber, and is ideal for use with attachments such as power tools, vices and pipe threaders.
