

CAMP Safety Dryad Pulley 2156

Brand: Camp
Code: C5728

\$98.70 +GST \$113.51 incl. GST

Description

CAMP Safety Dryad Pulley 2156

Compact double pulley for block-and-tackle systems. Large connection hole accommodates two carabiners. For ropes up to 13 mm. Prusik minding, the self-locking knot can be installed on both sides and both wheels. Self-lubricated brass bushings are the perfect solution for light applications at low speed. Efficiency: 80%. Aluminum alloy body and wheels, stainless steel axle.
