Skylotec Double Twist Carabiner

Brand: Skylotec
Code: C6454

$59.00 +GST $67.85 incl. GST

Description

Skylotec Double Twist Carabiner

The Skylotec Double Twist Carabiner is the new generation of HMS carabiner with 180° technology and smooth dual-locking mechanism for even more convenience and operational freedom – turn and open. With the new carabiner Double series Skylotec has now an answer for all those who work and climb left-handed or use both hands. With the innovative design (180° spring rotation) the sleeve that closes the gate can rotate in both directions. Conventional Twist/TriLock carabiners can be turned only to the right; therefore, they are more difficult to use for left-handers. Can be used in accordance with mountaineering and industry standard.

Features

- Twist locking system
- Major axis breaking load 24Kn
- Minor axis breaking load 7Kn
- Open breaking load 8Kn
- Size 112 x 76mm
- Complies with EN 12275-H:2013, EN 362:2004

Size

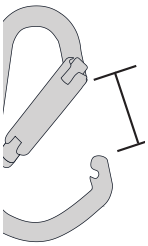

112mm
