Description

QSI Construction Height Safety Kit - QSI (CK01)

This kit is designed to provide height safety protection for construction workers. The large anchor sling allows the user to create a safe anchor point from beams and other structural members and the retractable block allows a wide range of movement without compromising safety.

The Kit contents include a Fully Body harness with quick release buckles, a 1.5M 20mm webbing endless round sling, a 2.5 m Retractable Block, with a Carabiner and a Back Pack.

Keep safe and use our NZ Produced Height Safety kit!
