Brand: LINQ
Code: C6924

\$214.65 +GST \$246.85 incl. GST

Description

LINQ Elite Single Leg Elasticated Lanyard with Snap Hook and Scaff Hook

- 1.85M Elasticated Lanyard
- An exclusive Extended Length Energy Absorber (ELEA) designed to protect a worker of up to 160kg including tools and equipment
- Drop forged lanyard hardware
- Stitching patterns are sewn by computer controlled bar tacking machinery for precision using UV resistant high tenacity polyester yarn with 100 newton (10kg) breaking strength
- Unique THETA stitch pattern has 423 stitches resulting in a strength that matches the lanyard's webbing strength
- Unique stretchable lanyard design that minimises length of lanyard, preventing tripping or snagging
- Australian designed, engineered, and made
- 23kN Webbing Tenacity
- Webbing is UV rated to meet AS/NZS 1891.1 standard
- THETA stitch pattern (equals 3300kg strength) - engineered to match webbing strength to ensure no weak point in the harness assembly
- SAIG 5 Tick Certified and approved to AS/NZS 1891.1
- Scaffold Hook Double Action Steel Alloy 68mm on one end and Snap Hook on the other
