Code	Description	Price
C6756	S-L	$184.55
C6757	L-XXL	$184.55

Description

CAMP GT Chest 211601

A step forward in comfort for technical rope access workers. The structure and padding of the GT Chest have been shaped for optimal ergonomics, especially on the neck where other harnesses tend to dig in. Double height adjustment (front and back) allows the worker to perfectly fine-tune the fit. Supplied with the patented HMS Belay Lock connector that features an anti-rotation system for a secure attachment to the sit harness. Equipped with a keeper strap for securing a chest ascender in a streamlined way. Aluminum alloy attachment rings. 2 attachment points: 1 front sternal, 1 back dorsal.

Designed to be used in combination with the GT Sit, Access Sit and Tree Access Evo harnesses for fall arrest.

Upper harness and carabiner only – GT Sit not included.

Size	Height (cm)
S-L	55-75
L-XXL	65-85
