

LINQ Elite Multi-Purpose Harness - Standard (M - L)

Brand: LINQ
Code: C6929

\$465.55 +GST \$535.38 incl. GST

Description

LINQ Elite Multi-Purpose Harness - Standard (M - L)

- LINQ Elite Multi-Purpose Harness
- Pebble Weave Webbing design provides maximum grip for buckles, eliminating webbing slippage and the need for continual re-adjustment
- Liqui-Pel Technology for liquid protection, also easier to clean the harness
- High Tenacity UV stabilised webbing, enhances resistance to solvents and UV light degradation
- Retro-Reflective Thread in webbing for improved visibility in low light
- Rear Barr-D allows easier access and better weight distribution for twin retractable fall arrest devices
- Closed Loop Webbing system on rear Dorsal Barr Dee maintains positioning of Dorsal Dee in the event of a fall. Significantly reducing the risk of injury from hardware hitting the back of workers head
- Extended Belay Loops make connection of hardware easier, also maintains absolute front and centre positioning as per AS/NZS requirements
- Sub Pelvic Strap integration along the line of Belay Loops, places the worker away from hardware in the event of a fall, significantly reducing the risk of injury from hardware hitting the worker
- Articulated Chest Strap and shoulder adjustment points, designed for additional user comfort and female users, due to lower positioning of strap
- Comes with Suspension Trauma Strap - One-piece Webbing with a quick connection buckle for faster deployment and connection in the event of a fall
- Confined Rescue Loops
- Air COOL Padded Shoulder Straps for increased comfort and increased air flow during long periods of use
