C6284-1	Size 1	\$836.90

### Description

Petzl Astro Bod Fast Harness (European Version)

**Ultra-comfortable rope access harness.**

### Features & Benefits

- Gated ventral attachment point can be opened to efficiently integrate equipment:
  - Connect PROGRESS ADJUST or JANE lanyards to the axle of the attachment point without a connector
  - Connect CROLL L ventral rope clamp on the ventral point for greater efficiency and freedom of movement on rope ascents
  - Connect PODIUM seat to the axle of the attachment point so the load is supported directly by the descender, while providing mobility at the ventral attachment point
- Ultra-comfortable design:
  - Semi-rigid, wide waistbelt and leg loops for excellent support; sculpted and lined with breathable foam padding for comfort during suspension
  - Padded shoulder straps are widely spaced to reduce neck chafing and help distribute the load over the shoulders when the waistbelt is loaded
  - Two side metal attachment points make it easy to rack your equipment, and they fold down to avoid being snagged when not in use
- Easy to adjust:
  - Waistbelt and shoulder straps equipped with self-locking DOUBLEBACK PLUS buckles for quick and easy

adjustment

- Leg loops equipped with FAST LT buckles for quick and easy fastening and unfastening without loss of adjustment, even while wearing gloves
- DOUBLEBACK self-locking buckles at the rear of the harness, between the waistbelt and the leg loops, make it possible to adjust for use on the dorsal attachment point; in the event of a fall on this point, a shorter adjustment allows the weight to be taken up on the leg loops so that the user may remain more comfortably suspended while awaiting rescue
- Easy to carry and organize tools:
  - Six pre-shaped equipment loops with protective sheath
  - Two slots for CARITool tool holder
  - Two slots for TOOLBAG tool pouch

## Specifications

- Ventral attachment point: Attachment for a descender, a positioning lanyard for use in single mode, a progression lanyard, and a seat
- Lateral attachment points: Attachment for a positioning lanyard for use in double mode
- Sternal attachment point: Fall-arrest system attachment
