

## QSI SBE2K - Full Body Harness with Lower Chest Loops

**Brand:** QSI  
**Code:** C3023

**\$85.20 +GST \$97.98 incl. GST**

### Description

QSI SBE2K - Full Body Harness with Lower Chest Loops

Our standard full body harness. The SBE2K features two lower sternal webbing loop attachment points and a dorsal D-ring attachment point for fall arrest. The lower sternal webbing loop attachment points are well suited for use with rope or cable grabs and offer a comfortable position to work from. Other features include high strength, adjustable male/female buckles on the legs, chest, and shoulders, and high strength stitch patterns.

Applications:

- General Use
- Construction
- Mobile Platform
- Roofing
