

QSI SBEMT - Full Body Multitask Rope Rescue Harness

Brand: QSI
Code: C3030

\$469.44 +GST \$539.86 incl. GST

Description

QSI SBEMT - Full Body Multitask Rope Rescue Harness

Our standard full body quick release harness. Features two anterior webbing loop attachments and a dorsal D-ring attachment for fall arrest. The upper chest attachment points are well suited for use with rope or cable grabs and offer a comfortable position to work from, as well as rescue. High strength, easy adjustment webbing buckles are used on both legs and chest. Other features include easygrip shoulder adjustment buckles, webbing fall arrest loops, and high strength stitch pattern.

Applications:

- General Use
- Construction
- Mobile Platform
- Roofing
- Rescue
- Confined Spaces
- Rigging Suspension
- Work Positioning
