Code: C6438

\$339.00 +GST \$389.85 incl. GST

Description

Skylotec 1135 Ignite Ion Strap General Purpose Two Point Harness

The Skylotec Ignite Ion Strap Harness is a great all-round safety harness for all classical applications in construction and maintenance. Even for users who rarely wear personal protective equipment against falls from height the Ignite Ion is extremely easy to use and self-explanatory. The two orange roping-up loops made of fabric are approved for joint use and equipped with abrasion indicator for maximum safety.

Features

- Easy to put on and adjust
- Very good fit
- Large roping-up loops (chest) with wear indicator
- Dorsal and sternal attachment points
- Size M/XXL (waist size 800 - 1100mm)
- Complies with EN 361:2002
